

**NEW** ENTRY  
REQUIREMENTS  
FOR 2020 INSIDE

**BE RED**

# ENTRY REQUIREMENTS

We welcome applications from students with a wide range of qualifications, including, but not limited to, A levels, International Baccalaureate, BTEC Diploma and Cambridge Pre-U Diploma.

For full details of all entry requirements and experience required, including minimum grades in particular subjects and acceptable/related subjects, please see the relevant course page on our website.

## INTERNATIONAL BACCALAUREATE (IB)

We welcome students presenting the full IB diploma. If you are offered a place, we will specify an overall score that you will need to achieve.

Where a course requires subject-specific knowledge equivalent to A level, you will be asked to achieve a particular grade at higher level.

Check the table to find out the IB scores that are equivalent to A levels at Reading.

A level	IB
A*AA	37 points
AAA	35 points
AAB	34 points
ABB	32 points
BBB	30 points
BBC	28 points
BCC	26 points
CCC	24 points

## INTERNATIONAL QUALIFICATIONS

We accept a wide range of overseas qualifications including (but certainly not limited to) country-specific A levels, Malaysian STPM, Hong Kong Diploma of Secondary Education, Advanced Diplomas and many more. You can find country- and region-specific information at [www.reading.ac.uk/international](http://www.reading.ac.uk/international).

Please contact us for advice at [www.reading.ac.uk/question](http://www.reading.ac.uk/question) or call **+44 (0) 118 378 3838**.

## CONTEXTUALISED OFFERS

We recognise that some students are more likely than their peers to face barriers to high academic achievement at school, through no fault of their own. The University of Reading is committed to ensuring that none of our applicants are disadvantaged in accessing our degree programmes because of their background.

That is why we will make a contextual offer to applicants from particular disadvantaged or under-represented groups. Depending on your predicted grades and if you meet the eligibility criteria, you will receive a contextual offer that is typically two grades lower than the new published typical offer for the programme you are applying for.

## IF YOU'RE TAKING AN EXTENDED PROJECT QUALIFICATION (EPQ)

Undertaking an EPQ is valuable preparation for university study and a number of our subject areas now include achievement in the EPQ as part of a formal offer. Our online course listings will indicate if your chosen programme is participating in this scheme.

## IF YOU MAKE READING YOUR FIRM CHOICE

Applying for university can be stressful, especially when you are also studying for exams.

That is why for a number of our programmes, if you are committed to coming to Reading and make us your firm choice, we will guarantee you a place if you achieve one grade lower than the published offer for your chosen programme\*.

For more details and examples of the above please see: [www.reading.ac.uk/your-offer](http://www.reading.ac.uk/your-offer)

## COURSE LIST KEY

-  Interview and/or portfolio submission
-  Extended Project Qualification (EPQ) accepted. See above for more information
-  New course for 2019/20 or 2020/21
